A HUGE thank you to everyone who sent in work to participate in our bonus projects! We were thrilled to see so many participants getting involved with the zine! You all truly blew us away!

The fact that you all took the time to participate in our little projects mean the world to us! We wanted to make sure to get your art seen and represented as much as possible! Please accept this bonus zine and the collage within the main zine as a token of our thanks!

This zine wouldn't be as fresh as it is without you all and that's something no cool cape can compete with!
